Jeffrey,  
Sorry I will get you date info on fuel trucks, I either sent you an email or told you in person several weeks ago, that Michael Hancock is purchasing the trucks from Texaco,. This is what Roy told me when you asked me to contact him,. Also: Roy called me last night and informed me that in yesterdays news paper, it mentioned that TWA was awarded a spot of land to store a 5000 gallon fuel truck,. This is the first time I've been informed we where given approval for our truck,.I will get truck options asap for your review.  
-great news that [REDACTED] has office items, thank you.
