Subject:	██████-laptop needs work

███████has her Ipad up and running...she is downloading apps and =appy...she used her own credit card since it stores the card on the =evice...she has purchased a few apps and downloaded free ones.

While trying to get the Ipad up, she realized she needed to upgrade the =oftware for her laptop. She purchased the software, but it won't load =ecause her CD drive is broken. She can have the drive repaired for =bout $160-$190. She also needs a new back up hard drive, about $69. =t is an old computer, but she says she is quite happy with it.=?xml version=.0" encoding=TF-8"?> <!DOCTYPE plist PUBLIC "-//Apple//DTD PLIST 1.0//EN" "http://www.apple.com/DTDs/PropertyList-1.0.dtd">
