Good morning everyone,

Yesterday when we went to recover the crates from the airport one pieces was missing, it was since been found in Paris.

Since we are closed all next week for the holiday the last crate will be shipped on the first, so we are hoping to collect on the 2nd, ending Customs.

If we can collect on the 2nd delivery on the 3rd is not a problem but it will be in the afternoon, maybe around 1:00pm.

Is that ok?
