Do you want this table cloth as one big=draping piece, or do you want it fitted to the table like the last photo w=th a box pleat at the corners? If you get it fitted to the table, then you=could have the figures in the design facing the right way on the side pane=s, versus they would be upside down on the sides if you do it as one big p=ece.

The cloth is \$190/yd. We would need 23 yards if it's fitted to table, a=d 18 yards if its one big piece.
