=span style="font-family:"Times New Roman",serif">Dear, Edmund :)

Happy new year!!!!

I would like to thank you so much for You came into my life this year 2017, a=d I hope you'll stay. You are like a lighthouse in my sea- life, you showed me t=e right way and lead me. You became a strongest and most important part of my life. There are many things that you did and I could be grateful, and I do. From =y own

apartment to traveling, from the study in the best university in the world to English accent reduction classes, from material to moral support. From the new phone to ability to be free of prejudice. From all the fun stuff, that I've seen, felt and learn with our laugh and jokes. FOR MY REGASM!!! FIRST AND LAST!!!!)))) But the most important and priceless is the time that we've spent together in 2017, the opportunity to know you, the transformation of thinking that you did with me. You can't believe how important to me our every-day conversation. The life will never be the same again for me. I would like to thank You for all of this and for your trustfulness and belief in me!

I always remember my start. BCBG. Forever grateful.

The main holiday is further- your Birthday! I've prepared something for it one month ago and I will not spoil the surprise! However, I understand all my mistakes and I'll work on it. I can do much more for you and I know this. Please, let me know what could I learn to be helpful and useful for you!? Should I prepare anything for your coming to the city?

Proclaiming 2018 the year of Jeffrey! I'll do my best.

Thank You!

Holiday Season is over. . I will continue to support your efforts in reaching your potential, which I believe is great. I hope you will live up to your end of our agreement, . You will have to work very hard as the world is becoming more unstable and less predictable. You have begun and it's great to see!. however Focusing solely on yourself, your looks or english competence. is not a long term winning strategy,- . you know me, ! and how I think, I was surprised and frankly disappointed that you, unlike some, -made little or no effort whatsoever to show any appreciation, provide any gesture of gratefulness -, -cookie. photo -video. ?or even a thoughtful letter of thanks ? or even asked which new skill to learn that might be helpful or useful to me. as opposed to only you ? I have put my trust in you. my . it is my most valuable asset. If I were you I would do some self- reflection. --hope to see you soon.
