progress ?
Holiday Season is over. . I will continue to support your efforts in reaching your potential , which I believe is great. I hope you will live
up to your end of our agreement, . You will have to work very hard as the world is becoming more unstable and less predictable. You have begun and its great to see!. however Focusing soley on mark/marriage or your dog. is not a long term winning strategy ,- .
you know me, ! and how I think, I was surprised and frankly disapointed
that you , unlike some , -made little or no effort whatsoever to show any appreciation , provide any gesture of gratefulness -, cookie.
photo -video. ?or even a thoughtful letter of thanks =A0 ? or even asked
which new skill to learn that might be helpful or useful to me. as I have put my trust in you. my . it is my most valuable asset. If I were you I would do some self- reflection. --hope to see you soon.
