I am more than happy to meet with anyone you think moves this along .. c=tlr. jamie. . etc.. As mary said it need to be PROPER. . plea=e consider , there are four major areas of huge opportunity for some=mutually satisfactory arrangement. Gates and his entourage (facebook, =potify (parker). Middle East. Africa, China. The common thread=is they all want private advice. . The opportunities like the DAF idea , o=iginates with me, i cook it slowly, adding various ingredients almost f=lly cook it. and then want to turn it over to you . As I said to =ary , if Tom Pritsker established an investment bank and I did most things=with tom, could that be a beginning of a solution. ?
