GIV update

Just met with Joe Paolino and showed him the GIV,.
He was very impressed with the aircraft, he first mentioned the Wood veneer d=mage, I informed him we will be
repairing the wood once your G550 was compl=ted, He said your interior taste was great, He wanted me to give you his
contact info below, and mentioned how gracious y=u were when he met you in 1998 in London.
He was a very nice guy. I believe he is very interested in your plane, he kn=ws how you take care of your Aricraft, and
appreciates its pedigree.

Thx
Larry
