Jeffrey,.

I inspected the Seadoo waverunners and Yamaha wave runners, Both have =TS (off throttle steering), and reverse.

seems that Yamaha is best choice for St. Thomas for service according =o Brice,.

The 2011 Yamaha VXR 3 person wave runner with sport seat is my recommendation: its a NON-supercharged model with, OTS, reverse and boarding ladder in rear if rider falls off the unit,=20 or goes swimming etc,. speed is 63mph for the VXR non supercharged unit, compared to the supercharged units that top out at 77mph+,.

list price: \$11,548.00 each (silver in color, see photo),. two silver =nd one black in stock in West Palm beach,.

Total, no Florida sales tax: \$23,096.00 (however, Emad pls confirm=20 we'll pay tax on arrival in St. Thomas with customs?)

I can purchase both units for \$20,500.00 out the door,., they will deliver to Tropical for shipping to LSJ,.

is this approved, wave runners in silver?

thank you,
Larry

they have one black unit, with no boarding ladder, could be added as a second choice if you like this one?

also, Raxor 800 RZR Sport vehicle, 2011 model sale, List price: \$13,648.00 with hard top, sale \$12,500.00 out the door,
