the path from pool to info. should not be seen from the pool,, it was suppo=ed to be a small gravel path, with rocks or pebbles like the o=d walking path on blue beach,, not these walls.. ,, no walls. NEVER.= since it winds around the bend,, you can leave anything that is not se=n from the pool. otherwise, redo it. no more that 3 feet across, =hence the small opening, in the wall, it is a scar on what i had said, wor=ed hard to be pristine, I WANT PHOTOS , especailly of begiining g wo=k, that is how to protect against these mistakes that cost time mon=y and have to be re done . it is a walking path it was to make=level and dry, no more than that ,, the walls look terrible. one =ittle rock to mark the path , no more.
