Subject: [REDACTED] mishap

Jeffrey, [REDACTED] arrived tonight and the door code on the welcome letter was=incorrect. She went downtown and checked into the same hotel Boris is stay=ng in. I am truly sorry she was not able to get in. All I can think is t=at because the iDisk is down an old letter was generated from my computer. S=e emailed me and I answered her within 6 minutes with the proper code. I c=lled her , left messages and emailed her again and again. The doormen who k=ow sarah's cell # did not call Sarah and even if [REDACTED] had called the off=ce line I would have answered because I forward the office line to my cell.= In the end she is setteled and fine at the hotel but I am sick about it. I=will check on her tomorrow. Lesley
