Jeffrey, my God, I was waiying for it and living it for 7 months, I was searching for all ways to do my visa, I tried to establish some, a little part of relationship with parents and people to have my passport back. I told them this stuff just to have a little chance and a beginning of their trust, all they needed is the confidence that somebody is really was waiting for me here. I am telling to dad everyday that he will meet you that day, I know its not about you, its obstacles. buy dad thinks Im lying to him right now, I was sleeping all night at hall because he punished me and I told him u gonna meet him today after 5, now I told no - he is beating me and telling I gonna go home and beat yr mom also, im not gonna live with liars. Please MEET my dad, just for a little time, he will just sit silent and we will talk. then I will come tomorrow from the morning till the afternoon, I want to spend this time with you. please Jeffrey, its awful awful awful..
