I saw Bill on Aug 16.. that was a year after my raising with him the =AF idea for the first time. Since then , seperate from helping to tw=ak your presentation , there has been little interaction between your t=am and me. I was very cognizant re settling our legal issues to take that =ut of the equation. It is not going well. and at the moment the c=ances of success are 50/ 50 at best. that is down from 95-5. This=is not about SOCIAL INVESTING
