I feel I like I just have to get started. I need some=ne to believe in me enough to give me a chance. I don'= know how to try to understand reality without getting involved in it.=C2=A0

When I started a project at school I couldn't see the end point and I didn't know where I was going. But the idea= came to me as I moved along. I took wrong turns but those enabled me to i=entify better ones

Ultimately I don't want to=work in a corporate world, but I do feel it could be a good place for me t= learn. To learn structure and routine and deadlines and systems and how p=ojects come together.

So as always I am loo=ing for contacts in the interior design world (Residential, Hospitality, R=tail, Work-space, Aviation), Im just looking for interviews so I have a ch=nce to put myself in front of people as I think I am stronger in person.=C2=A0

I have a phone call with Liaigre (the compa=y) on Monday. They emailed me to ask if they could connect with me on Mond=y.

I have spent time trying to think what r=al results are as opposed to make believe and what reality would be in my =situation.
