Subject: Glucose Tolerance Test

Spoke to Matu at Dr. Merrell's office. You must fast for the Glucose =olerance test from Midnight to the next morning...you would go to a =esting center (such as a Quest Diagnostics) where they draw your blood =hen you arrive...then you drink a glucose solution and wait an hour. =hey don't want you to leave because you shouldn't really move around a =ot. They draw your blood again after the hour.

Dr. Merrell's office does not keep the test on hand...she said if you =anted them to, they could special order it for you, but it would take a =ew days.=?xml version=.0" encoding=TF-8"?> <!DOCTYPE plist PUBLIC "-//Apple//DTD PLIST
