Subject: Skyping today

Hi,

I can Skype within 30 minutes =f your telling me you'd like to Skype if you ping my cell phone =irst at 617-460-3656. (I may not be in front of a computer to see an email=message.) I haven't done a "group Skype" in a while, but I'm sure it would take me less than 30 minutes to figure out so my Ph.D. s=udent, Ms. Zeinab Bandpey, can join us.

Regar=s,
Jonathan
