Deborah,

I chose you to represent me, under Max's suggestion that I should have my own legal representative.=C2◆ Later, Noam and I decided that you should represent us both. Now we need you to become the trustee of Noam's marital trusts, replacing Max. You are the one to stand up for us (Noam and me). Although other options would be possible, you are the only one who understands the circumstances and nuances of our situation.
