Still waiting for [REDACTED] to register online and then the school will send her the documents, she needs to study 18 hour a week to get the visa (costs about 1800 USD), the school told me that in order to get I20=she will also need to show a bank statement with at least 4500 (for the three months program). takes about six weeks between the registration and the=beginning of the class (she can start anytime, there are programs starting=every monday).
