Hi All,

Max, attached please find the requested 2017 Q4 Federal =stimated Tax Voucher for the Chomksy's.

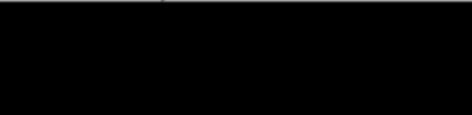

Please be =ware that in raising cash to make this payment from the trust, it may =reate income that might be taxed to Noam due to the trust =istribution.

A state estimated tax payment should be made in 2017 to take =dvantage of the deduction for state tax payments. This deduction will =e severely limited if the new tax bill is enacted. Please advise on an =mount that the Chomsky's would like to pay in order to take =dvantage of this deduction. We had recommended \$30,000 when we prepared =heir 2016 return, based on safe harbor amounts.

Regards,

Matthew Mazotas
