Sure. Could you please explain what kind of things Noam should write:
concentrate on financial issues, or on your general discussion about many topics, scientific, geo-political, financial and others.

favor.   forbes magazine is doing an article about me   and " why
people still want his advice . after all of his personal travails. "
.   I would appreciate it if noam could write a few paragraphs ,
that i could show to the writer , with the understanding that
nothing would be published without writen consent ?   if
uncomfortable no worry.
