Subject: Sam/Boris apt

I spoke to Sam today for quite awhile. He appreciates your offer for an apt in NY. He said he and Boris will be looking for an apt in NY in a permanent capacity. Until they find one, he will stay in one of the apts at 301 whenever he's in town. He doesn't want to take over one full time as he will be traveling in and out of NY quite a bit. So far, I have him scheduled to stay at 301 from Nov.11-24th, and from Dec.6-25th.
He asked me if it's OK for him to have friends stop by and see him in the apt while he's staying there? He said obviously no parties, but wants to make sure you're OK with them having friends stop by if they're in the neighborhood type thing.
