Correct, extra cable was disposed of during the big clean up after construction finished. The outer shielding had been badly compromised, direction was given to dispose of it.

I'm also under the impression this cable contains the Fiber Optic feed to the island

Danny V. & Carlos said the extra cable under blue beach was disposed of by Brice, A=ron & Brian. They said it was cut into 3ft lengths and taken off the island.

Danny said that we don't have any W=PA cable on LSJ at the moment. We would need to purchase
