Subject: Ippeel Dual SIM for Iphone

Turn your iPhone 4 in a much functional device for your activ= lifestyle!

The IPP=el is a perfect all-in-one accessory for your iPhone 4. The case has a SIM c=rd slot built into the inside of the back cover that let you activate two S=M cards, make and receive phone calls on two different carriers.=span> The device works specifically=with the iPhone 4 making it available for the third SIM card. It features a=TF card slot, supports Bluetooth, and FM.

Moreover, iPPeel also contains built-in battery that=powers the dual SIM operation. Once the iPhone 4 battery gets low, you can u=e the IPPeel to recharge your iPhone and continue to use the second SIM car=.

The dock connect=r port allows you to charge both your iPhone and the IPPeel's batteries at t=e same time.
