It would help, in some cases, if the FIRST thing people are hit with is =omething other than the current set of articles. When I invite people to symposia, I do say - you may come across things =n the internet that concern you. I have known Jeff since 1994 -- and =he context is the generous funding he's provided for so many =cientists.... Everybody finds the pages. They will ultimately find =hem, even if they are buried. It would just be better if they weren't =he FIRST thing...
