Was invited to small casual dinner party to Lenny Fischer's apartment =ere in St Moritz.
Lenny is the CEO of RHJ, the listed financial services group that owns =leinwort Benson of which Tim Collins owns around 14% (tbc).
Kleinwort are finalising the transaction of buying BHF, largest German =ndependent Private Bank which has EUR 40.6.billion AuM. I sent this to =ou before.
They have confirmed co-investors of around Euro 200m incl US blue chip =ank.
He is still looking for additional Euro 100m co-investment.
Lenny is a decent guy, different to Tim Collins. He will meet me on =unday and I will find out more.
Met also Ivan Glasenberg at this dinner, CEO of Glencore who personally =ade about \$ 5 billion this year. Interesting guy, smart and tough as =teel - jewish of course.
