Richard,

Good morning. I am happy to do as you suggest below but =oam would like you to join the call. If you think it is in Noam's=best interest for you to not participate please email him, copying me. = would like to discuss strategy with you this morning if you are available especially as to your proposal relating to the =ndemnity and release. Is this something that Max asked for? Just =urious as you alluded to that in an earlier email and I was unaware =hat he had requested this when you first suggested it. I will be in the car at 10:00 and again at 11:45 for about a half hour =ach time. Are you available at either of those times?

Best,
Deborah

deborah, , I suggest you have a one on =ne , come to jesus with max who respects you. I have =et to hear if noam spoke to harry , but I believe that you =an try to explain in your gentle way , that time is not on his side. and I have no fear of having =o take a very agressive stance. as we discussed. if =e wants and indemnity and release , i will consider =t.
