Subject: Re: planting trucks on St. Thomas

Hey Bossman,

Cliff from ABC Nursery and Bryan from Bryan's Plants said there are no tree planting trucks on St. Thomas. Cliff said it's not as helpful here in the Caribbean because of all the rocks in the earth especially the Buebitch rock

I went to VIYA, Cancryn School & WAPA since they have been planting 50ft poles and digging new areas on St. Thomas.

I noticed that they all have the same truck. I was told by Mr. Jim at Cancryn School that the trucks can do a lot, they Cut, Dig and Install 40-50ft poles really quick and they can get through a lot of the small roads

See pictures attached.
