Wishing you a very healthy and happy new year. I am your loyal friend and fan....and thank you every day I know you.

Life at the Koch's is grand. Going to the Jimmy Cohen's (brother of Claudia) who has redone his father Bobby Cohen's Mizner mansion at 691 N. Country for drinks. Then going next door to Kara and Steve Rosses home for more drinks...He owns the Miami Dolphins football team and they are playing Woody's Jets tomorrow. Then the coconuts party with the Koch's where David spends about \$300,000 on the fireworks. I will get the exact figure....

Was at the Bath and Tennis today...thought a "jew alert" alarm would go off....xoxo Peg
