Hi Jeff

   I assume you are still in the sub tropics. I have making some =rogress but I need to find a security expert who knows how a =lackberry can be tampered with. I just want to know things like how =he GPS works, what information is reported bacl about the phone, how =he security can by bypassed. If you know anyone with such an =xpertise, i would like to contact him or her,

Best wishes for a happy 2012
