... And all my best wishes for this new year!
I hope you had a lot of fun today!

I saw my uncle and he asked me what are you interested in doing here? He tho=ght you were a very interesting person! I told him that i didn't know but w=at i could suggest is next time you should meet by yourselves and he agreed= He said because it was your first trip here it had to be more official but=now that the "first date" is over it'll be easier.
He told his wife about you at dinner who said that you should come to her ev=nt on february 24th. And she was very serious.
I also asked about the port for Sultan and he said that they were opportunit=es there. They definitely want to extend it. It was all very positive and as i told you before they were all very happy t= have you here.
Your twin told me that next time you come he'll handpick himself(which wasn=t the case this time) and it'll be much much more. Loool Conclusion i only heard positive things about you and ... Everyone was askin= if you were my bf. looool i couldn't tell that you're my future witness...= Have a great evening and i wish you all the best for this new year!
Xxx
