Subject: where are you?

UNABLE TO REACH YOU BY PHONE

i am back =n Jamaica, fully recovered from seven weeks on the road

final week in Spain was very tiring—Barcelona, Madrid and Va=encia—well treated in the latter two, used by a self-promoting wom=n in the first case but she did film me there again—this time a mo=e slimmed down version of Honour Killing, which is starting to get tractio= on the internet

will be in FtL 22nd to 29th to b= with my 18 year old son who is now in the US Army

all best
