Kalin set it up so the security questions are hers. If we can avoid re=setting the passcode, we should. That account is on everything... Apple TVs=@ every House, etc.

She helped me get into the gmail account, so maybe the questions/answers are the same=

For gmail, recovery email address was [REDACTED] (=he doesn't have access to that address anymore)

What was first car was either Chevy or Lumina

Thank you,
