Jeffrey,

Boeing should be return to service with fwd AUX fuel tank repaire= by 2pm tomorrow,. need to replace one boost pump in Fwd aux tan= which controls the transfer valve,. located pump in M=ami,. all should be fine with B727 and ready to go.,I will updat= you regarding Gulfstream at noon tomorrow,..

I will ask your approval before departing in Boeing tomorrow,.wou=d like to reposition to New York and prepare for trip Friday 8:30pm d=parture.

I have researched New York fuel prices, the best deal I found is =4.75 at Steward Newburg NY airport near White Plains, I could se= up AAG Helicopter if you like?,, Newark fuel price negotia=ed is \$6.33, I will check Islip and Farmingdale for good fuel pr=ce also,.

thanks,

Larry
