████ says █████ sent her the list via email but █████ did not ask her to print and give to you...she was under the impression █████ could have printed and given to you herself. █████ thought █████ was giving her a list so she would have it as well.

████ will print the minute she arrives (in about 10 minutes...she had gone up to see Bella to get some Euros)

████ does not have Story's cousins details...she will have to work on setting them.=?xml version=.0" encoding=UTF-8"?>
