Subject: re: Palms & Sod

attached is quote for palms and sod i sent earlier in the week =/div>

items still have not been ordered since i have not =eceived your approval

the =alm quote should have been changed to reflect three 15' palms and seven =2' palms
(quote below has it reversed with seven 15' =alms and three 12' palms - i will have them change =hat)
the price remained at 250 for both the 12' and =5'
total cost 2,500

the sod quote =eflected the change in quantity to 29,000 sq feet at 0.37 per sq ft - =otal cost 10,880 (with 150 inspection charge)

i know when we =et you said price should be 0.20 however vendor would not budge on =ricing
vendor states that their actual rate for 2012 is 47 =ents per square foot - they are offering it to LSJ at 37 cents per =quare foot

In nov 2011 we paid 0.35 per square foot and they =ould not even honor that price

please =dvice
