Anyone in Boston that I should meet while I'm here this week? =Joi/his assistants haven't been responding.

Meeting Joscha, Lukin, some other quantum physicists.

I put together Satio deck (it's how I named 'kickstarter for scienc=' project) - attached.

Looking for two types of people right now:

- scientists/projects to fund (really cool and unique and searching for fin=ncing). Have a few in pipeline, creating a funnel;

- potential advisors to select and curate best projects (established scient=sts able to say yes/know on projects sourced).

Attached is more info.

It's really early, lots of things to figure out but I thought you might=have some ideas about whom to meet.

Masha
