Did you hear Deborah on the phon= call yesterday mentioning that her father at the end of his life was  
very=concerned about what his children think of him, or something like that? =A0

I felt like saying "I would like if=you could keep to the legal matters". What was that for? =C2

It was a recurrent practice of hers, in mee=ings, bringing her father and the second woman who married him  
and wanted =o take all his money, until they (his children) proved that and the couple=divorced. And I told her that I  
was sorry to what had happened to he= father, but this was not Noam's case. Just in case if she was t=ying to imply  
some similarities.

This was suppose= to be my legal representative. Unbelievable and outrageous.

For four years, I have been trying to deal with all=this by myself.

Noam and I have to send you a big THANK YOU!

Valeria
