Hey,

Had a wonderful family trip to Ab= Dhabi, we loved it there! Got back a couple of days ago. We needed some v=cation time. I decided to go for the job with Ab Inbev in Zug, it's a soli= offer and a good job in every way. Won't get rich, but like you said, Business School. The Inbev job is for S=urcing, Innovation and Sustainability (5-7 projects a year) all over the w=rld. I'll get great ops and project management, maybe some VC and M&A =xperience in an international firm with very bright people from over the world. Although not initially excite=, I'm going to be the hardest worker in the room, never complain and have =un while I'm at it. Mom will stay in Moscow for some time to tak= care of family affairs and come stay with me whenever she feels like it. She sends her regards and best wishes for t=e upcoming holiday season.

Seems like no one in Moscow is interested in mid-level guys, either a Forbes top-manager=or a grunt that would work for close to nothing. Most offers I got here made close to no sense. I just wanted you to know that I=thought like hell here, but the cards were stacked against me, I guess.&nb=p;

I'm going to be leaving for Switzerland by end of December, would be great =o talk to you next week. Hope you're well and I hope to talk stay in touch= I greatly appreciate your support.

Regards,

Max
