Dear Jeffrey,
how are you?

I want to ask you about something. I always wanted to strai=hten my teeth with invisalign and my relative who moved to NY and is doing=residency as a dentist can do it for the prime cost of aligners but we nee= to find an equipped dentist's office to use for the procedure (an=hour or so I guess). His hospital doesn't allow for him to bring f=riends and family at any hour so I wanted to ask you if you possibly know s=meone who could lend us the equipped space?

Thank v=u so much,
