Amazing!

That works for us. Do you want to set a time?

We will be in NY pretty solidly from Dec 18th for a bit. Lena Dunham did a mini-doc on Orgasmic Meditation that will be at Sundance so we'll be gone for that (end of Jan), but otherwise scheduled to be here.

Very excited about meeting and seeing possibilities.

Hello!

So great meeting you today.

Here's a bit about OneTaste:

OneTaste is a wellness and lifestyle company providing courses and mindfulness practices, in particular Orgasmic Meditation or OM, that improves vitality, focus, emotional intelligence, connection and fulfillment.

We recently did a short documentary with Lena Dunham's production company and are in the midst of a feature length doc with WME.

Orgasmic Meditation is a consciousness practice you do with another person. The OM practice combines the power and attention of meditation with the deeply human, deeply felt, and connected experience of Orgasm. For more information on OM:

- Goop interview with OM founder Nicole Daedone  
<<https://goop.com/wellness/sexual-health/the-secrets-of-orgasmic-meditation/>>
- Vice introductory video <<https://www.youtube.com/watch?v=pviR3LjP4hg>>

The Science of Orgasm

We are releasing the first IRB approved partnered stimulation study in the US since Masters and Johnsons. The research is groundbreaking and shows both a new facet of Orgasm we haven't known before, and the powerful results and benefits from the meditation aspect. These results are set to begin coming out in Spring of 2018.

Would love to talk further. We are back in NYC week of December 18th. If you are around, I would love to plan a time to meet.

Thank you!
