I posit that the ?"understanding" system is a group system ,similar to the "visual "system in the individual. = group "decides" on the coherence of the concept where an individuals system decides on the focus and dimensions of an object.

I have been in constant contact with chomsky =A0 , playing with my idea that writing is good for the group =C2 and maybe bad for the individual. slows the thinking =A0 forcing it into boxes. I love the idea that learning to read and write might hinder intellectual growth to some degree. =br clear="all">
