Part of your message might never have been transmitted. The message I did get contained a total of four words, each of which was spelled correctly. Typos?

Send a newsier reply, like when you'll be back from wherever you are.

He hasn't known my name or even recognized me for at least the last five years. Recently, he asked me why he never had any children. I told him that he had a son, but that he was a real jerk, so he was better off not remembering him at all. He thanked me for the information and never mentioned it again. My Mom died three years ago. When we returned from her memorial service, my Dad asked me where she was. I told him she was at the beauty parlor. As far as he knew up until the time of his death, she was still there under the drier.
