Did not forget June 4 - 11. Will send event report tomorrow when I am in the car to Bridgehampton..

The kid that pays my bills who works for Bryan took a train home to NJ and left a bag with two new pairs of shoes and a computer print out of all my passwords in the shoe bag.

It just does not get anymore careless.

She got it all back from lost and found at Penn Station the next morning. I sort of knew it was one of them because Bryan sent them all to a shoe sale in the afternoon.
