Hey Bossman,

Chris is playing with my emotions. He told me the Palms at the landfill on G=J are trash but how is that possible when they just sprout lots of green

Chris said the ones that he's keeping are at Christmas Cove. I♦=99m requesting that the ones at the Landfill go to LSJ with the others tomo=row morning

I don't understand him. He trashing Palms to buy new Palms and it ma=es no sense
