Hi Rich,

Are you in th= office today?
I need a letter from my employer to travel, and J= said it was ok to ask you.

They may request=it on re-entry, they also may not, but the school says it is one of the doc=ments we should carry in case . It just needs to state that we are employed=by the company and are returning into the country to work.

I will forward you the email where JE said ok, and please let me kn=w if there is anything else I need to check with him. Just want to disturb h=m as little as possible.

Thank you!!
