Dear Jeffrey,

Karyna told me that it would maybe =e ok to go away over new year, obviously I need to request that with you, =nd its as you wish.

I had an interview with Liaig=e and it went well. Their HR department is currently reviewing my document= regarding OPT etc. If the outcome is positive they would want me to start=on the 3rd so I would need to be back on the 2nd and it would be a short t=ip. But it is yet to be determined.

(I had = 4th date with one of our neighbours (3 east 71st), he is 46 and jewish an= kind and it was lovely)
