Subject:	Apartment Painting

I have spoken to Ion and shown him all apartments that need to be painted. I=told him that the floor people were currently set to do the floors after th= paint. He definitely feels that the floor people should work first. He say= if dust gets on the walls it will be easy for him to clean it off and prep=re the walls for painting. If the floor people come in last they will be wo=king up against the newly painted walls and baseboards and possibly creatin= dust that will go on the walls. I have seen it for myself in 10 N which ha= the paint done prior to the floors. ████ has spoken to the floor people a=d they would be able to start with 8h on Wednesday. Ion and Michael could t=en start on Thursday or Friday.
