Jeffrey,

Welcome to Care2 and thank you for signing your first petition, "Sexual Harassment Isn't a Joke - Remove Matt Damon from Oceans 8". We're so excited that you've joined our community!

You're here because you care about making a difference, and we want to provide you with opportunities to do just that. One of the best ways to make a difference is to stand in solidarity with one another by signing and starting petitions.

We'll start sharing some of the best Care2 petitions with you soon, but first we want to know what causes are most important to you.

What do you care about most? Let us know by taking action on one of the issues below:

Stop Exploiting Refugee Children in Factories

Ban the Use of Horses in Bullfighting

Coca-Cola: Keep Your Plastic Out of Oceans

Protect Rape Victims and Their Children

Petitions work because they're rounded in people power, which means your signature matters. We'll be sending you other petitions we think you might be interested in, so keep an eye out for future emails from us. To choose which messages you receive, edit your references here (you'll need to log in first).

We're so glad you're here. Together, we'll do great things!

In solidarity,

Beth, Miranda and Alex  
The Care2 Welcoming Committee

P.S. To make sure you're able to see our emails so you can keep making a difference, please add us to your contacts or address book!
