**Subject:** Seats available on Open Skies

I have made reservations on the later flight , 8.25pm, on Thursday evening.  
I reserved with Amex Concierge, they could only get you in row 5 in your aisle seat, which is the last row in bed class.  
I phoned Open Skies directly to try change, same thing, aisle-only row 5, but they could put you in 1A which is first row window (window faces backwards) The earlier flight is a smaller cabin, only 3 rows in biz bed, they do have 1D (your favorite seat available on that one) Departure time is 6.45pm.
