Not=ing will be happening until mid next week. I did get an email yeste=day late from the COE gentlemen who want to visit. Apparently they h=ve some reports (pictures) of things they want to check out on both island=. We'll do best to walk them through everything. Its hard =o make judgement calls off the aerials and probably most if not all of wha= they are looking at should not be a problem or something very minor.♦=AO I plan to use their visit to push the new docks. We can show them=how shallow it is in Shallow Bay and why we want to move.
